

# Special Lecture by Prof. Lynn Kistler

(Director of Space Science Center, Univ. New Hampshire)

- Date: 13:30-16:30, November 1 (Wed.), 2017
- Place: Lecture room 331 (Science Bldg. 1)

## From the Aurora to the Ring Current – Measurements of the ionospheric contribution to the magnetospheric plasma

**PART 1: 13:30-14:50**

Ionospheric plasmas in the Earth's magnetosphere

**break: 14:50-15:10**

**PART 2: 15:10-16:30**

Ion composition measurement techniques in space
